**RESPONSE TO QUERIES FROM THE SINGAPORE EXCHANGE SECURITIES TRADING LIMITED**

---

The board of directors (the “**Board**”) of Yuuzoo Corporation Limited (the “**Company**” or “**YuuZoo**”) refers to the queries from Singapore Exchange Securities Trading Limited on 26 December 2017, regarding signing of a framework agreement with state-owned Harbin Water Investment Group Co Ltd and wishes to provide the following information in response to such queries:-

**Question 1:**

*Please disclose:*

- (a) the key terms of the framework agreement.*
- (b) whether the framework agreement with Harbin Water Investment Group Co Ltd is binding on both YuuZoo and the state-owned entity.*
- (c) if the framework agreement is binding, what are the key condition precedent?*
- (d) if the Company is going into a new business area via the framework agreement.*

**The Company’s Response:**

*1(a) the key terms of the framework agreement*

As stated in the announcement dated 21 December 2017, the framework agreement is for the development of a 85-hectare real estate project in Harbin, China, called “Nordic Sports Town”. A detailed plan on the development is to be submitted to Harbin Water Investment Group Co Ltd, and a final detailed agreement is to be signed by 17 June 2018.

*1(b) whether the framework agreement with Harbin Water Investment Group Co Ltd is binding on both Yuuzoo and the state-owned entity*

If no final detailed agreement is signed by 17 June 2018, then the framework agreement becomes null and void.

*1(c) if the framework agreement is binding, what are the key condition precedent?*

As stated above, the agreement becomes binding only after the final detailed agreement is signed.

*1(d) if the Company is going into a new business area via the framework agreement.*

Modern real estate, both residential and commercial, makes extensive use of a wide range of eServices and applications YuuZoo has developed. By being engaged in the planning and development of the Nordic Sports Town, the Company expects to be able to generate significant new revenue through the entire value chain.

**Question 2:**

*Please provide the Company's rationale for going into the new business, the financial commitment amount required and how this will be funded by the Company.*

**The Company's Response:**

YuuZoo is not getting into a new business, as explained above. YuuZoo does not expect to make any financial commitments beyond what the Company can fund.
